This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

Buxton Town Team CIC was set up to advance the prosperity of Buxton and the well-being of its community. The company achieves this through projects which provide benefits to both existing and new businesses, to local residents and to the town's visitors. In addition the company aims to collaborate with other organisations holding similar objectives.

Projects completed in the period include:

2020 Vision: The Buxton Conference: With a number of major developments imminent in the town, the idea was to bring together all the local organisations that have influence or interest in the town, to share ideas and develop a common vision of the way forward. The event was organised by Buxton Town Team and hosted by High Peak Borough Council (HPBC). Around 100 delegates from a wide range of organisations attended, with a number of short 'fact finding' presentations followed by a workshop activity. A full report of the proceedings was published and several collaborative working groups have resulted, concentrating on different aspects of town development.

Vox Pops: As part of the preparation for the Conference we conducted a series of video interviews with residents and visitors, to better inform ourselves of how people view the town and what they see as the major problems and opportunities for improvement.

The Buxton Spring Clean & Railings Clean 2015: A repeat of the inaugural event in 2014, with large numbers of volunteers turning out to clean and tidy premises, signs and street furniture in the town centre. The Railings Clean alongside was much bigger than in 2014, with over 300 children from local schools and college joining us help clean green algae off the Pavilion Gardens railings. PART 2 – CONSULTATION WITH STAKEHOLDERS . Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The directors endeavour to ensure that all their decisions are fully informed by the views of the company's intended beneficiaries. They achieved this as follows:

Membership: The company has a policy of recruiting members who will be actively engaged in delivering projects to the benefit of the community. The number of members increased by 40 people (from 177 to 217) during the year.

Ideas Meetings: The company continued to hold monthly 'Ideas Meetings' which are open to all. A total of 76 individuals attended one or more of these meetings and 14 other local organisations presented their ideas and discussed how best to collaborate. Ideas which gained the support of those present were developed into projects and recommended to the directors for approval; project teams drawn from the membership and elsewhere were charged with implementing the projects to an agreed remit.

Website: The company has continued to develop its website, adding new pages as new projects are developed, with project proposals and closing reports on each. Company accounts and reports such as CIC34 are also posted on the website, as are the minutes of all the company's meetings .
