PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve.

Buxton Town Team CIC was set up to advance the prosperity of Buxton and the well-being of its community. The company achieves this through projects which provide benefits to both existing and new businesses, to local residents and to the town's visitors. In addition the company aims to collaborate with other organisation holding similar objectives.

Projects completed in the period include:

The Big Buxton Spring Clean 2014: The aim was to clean and tidy premises, signs and street furniture in the town centre by mobilising a large number of volunteers, thereby encouraging a sense of community pride and responsibility. Around 100 people turned out on the day and in the preceding week. Alongside, there was a separate Railings Clean, which saw over 100 children from local schools and college cleaning green algae off the Pavilion Gardens railings. The Buxton Spring Fair in May 2014: A repeat of the very popular 2013 Fair, the primary aim was for Buxton residents to re-discover their own town, by show-casing everything it has to offer. We filled the 'Main Street' with stalls, activities, music and dancing. The event was significantly bigger (please see continuation sheet)

(If applicable, please just state "A social audit report covering these points is attached").

PART 2 – CONSULTATION WITH STAKEHOLDERS . Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The directors endeavour to ensure that all their decisions are fully informed by the views of the company's intended beneficiaries. They achieved this as follows:

Membership: The company has a policy of recruiting members who will be actively engaged in delivering projects to the benefit of the community. The number of members increased by 70 people (from 107 to 177) during the year.

Ideas Meetings: The company continued to hold monthly 'Ideas Meetings' which are open to all. A total of 68 individuals attended one or more of these meetings and a number of organisations presented their ideas. Ideas which gained the support of those present were developed into projects and recommended to the directors for approval; project teams drawn from the membership and elsewhere were charged with implementing the projects to an agreed remit.
